For: CIRCUIT STRUCTURAL BODY AND METHOD FOR MANUFACTURING THE
SAME

REQUEST FOR RECONSIDERATION AFTER FINAL REJECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the June 28, 2006 Office Action, reconsideration is respectfully requested in view of the attached accurate translation of the priority document, and the following remarks. Claims 1-17 are pending.

A. The Office Action rejects claims 1-12 under 35 U.S.C. §103(a) over U.S. Patent Application Publication 2004/0160731 to Yamaguchi in view of U.S. Patent No. 6,214,525 to Boyko et al. This rejection is respectfully traversed.

Yamaguchi has a U.S. filing date of October 24, 2003. Applicant claims priority of Japanese Patent Application No. 2003-005950, filed on January 14, 2003, before the U.S. filing date of Yamaguchi. Submitted herewith is an accurate translation of the priority document.
